

Stephen Pair

BitPay Co-Founder & CEO

BitPay is a pioneer in creating powerful enterprise-level tools based on blockchain payment technology, receiving and storing money by businesses and people around the world. BitPay raised a \$27M round in a \$366M valuation in 2018. The company also **raised and undisclosed amount of venture capital funding from IPO fund Hunt in February 2021. BitPay is the dominant leader in the cryptocurrency payment processing market**, used by hundreds of Fortune 500 companies. We believe BitPay will become a cult company in the next 2-3 years.
