

WEB 3.0 SOCIAL NETWORK

A new era of decentralized social media platforms is coming

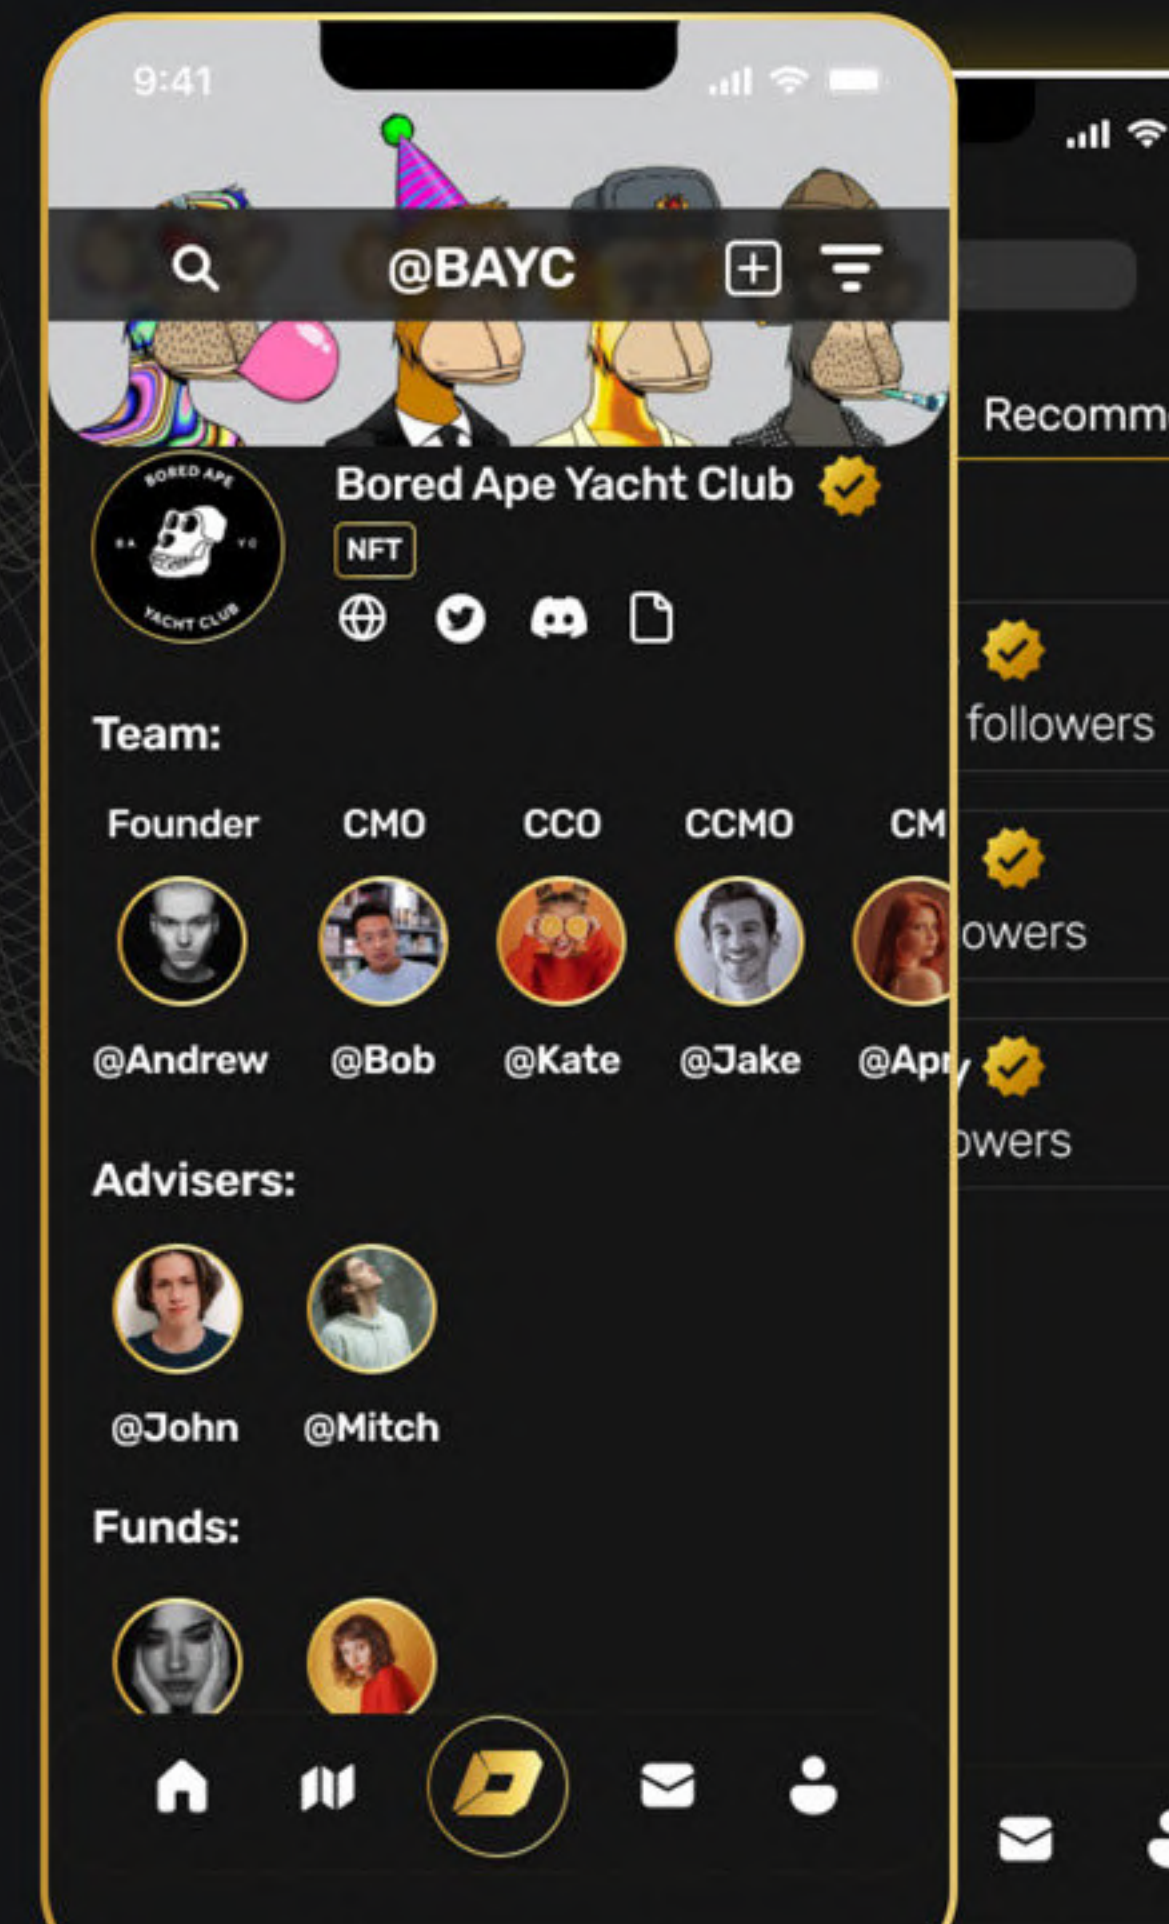

DAOPEOPLE

The world's first social network created specifically for the Web3 environment, which is suitable for both business and crypto communities. Everything you need for a comfortable interaction in the Web3 space.

SOON WILL BE AVAILABLE ON:

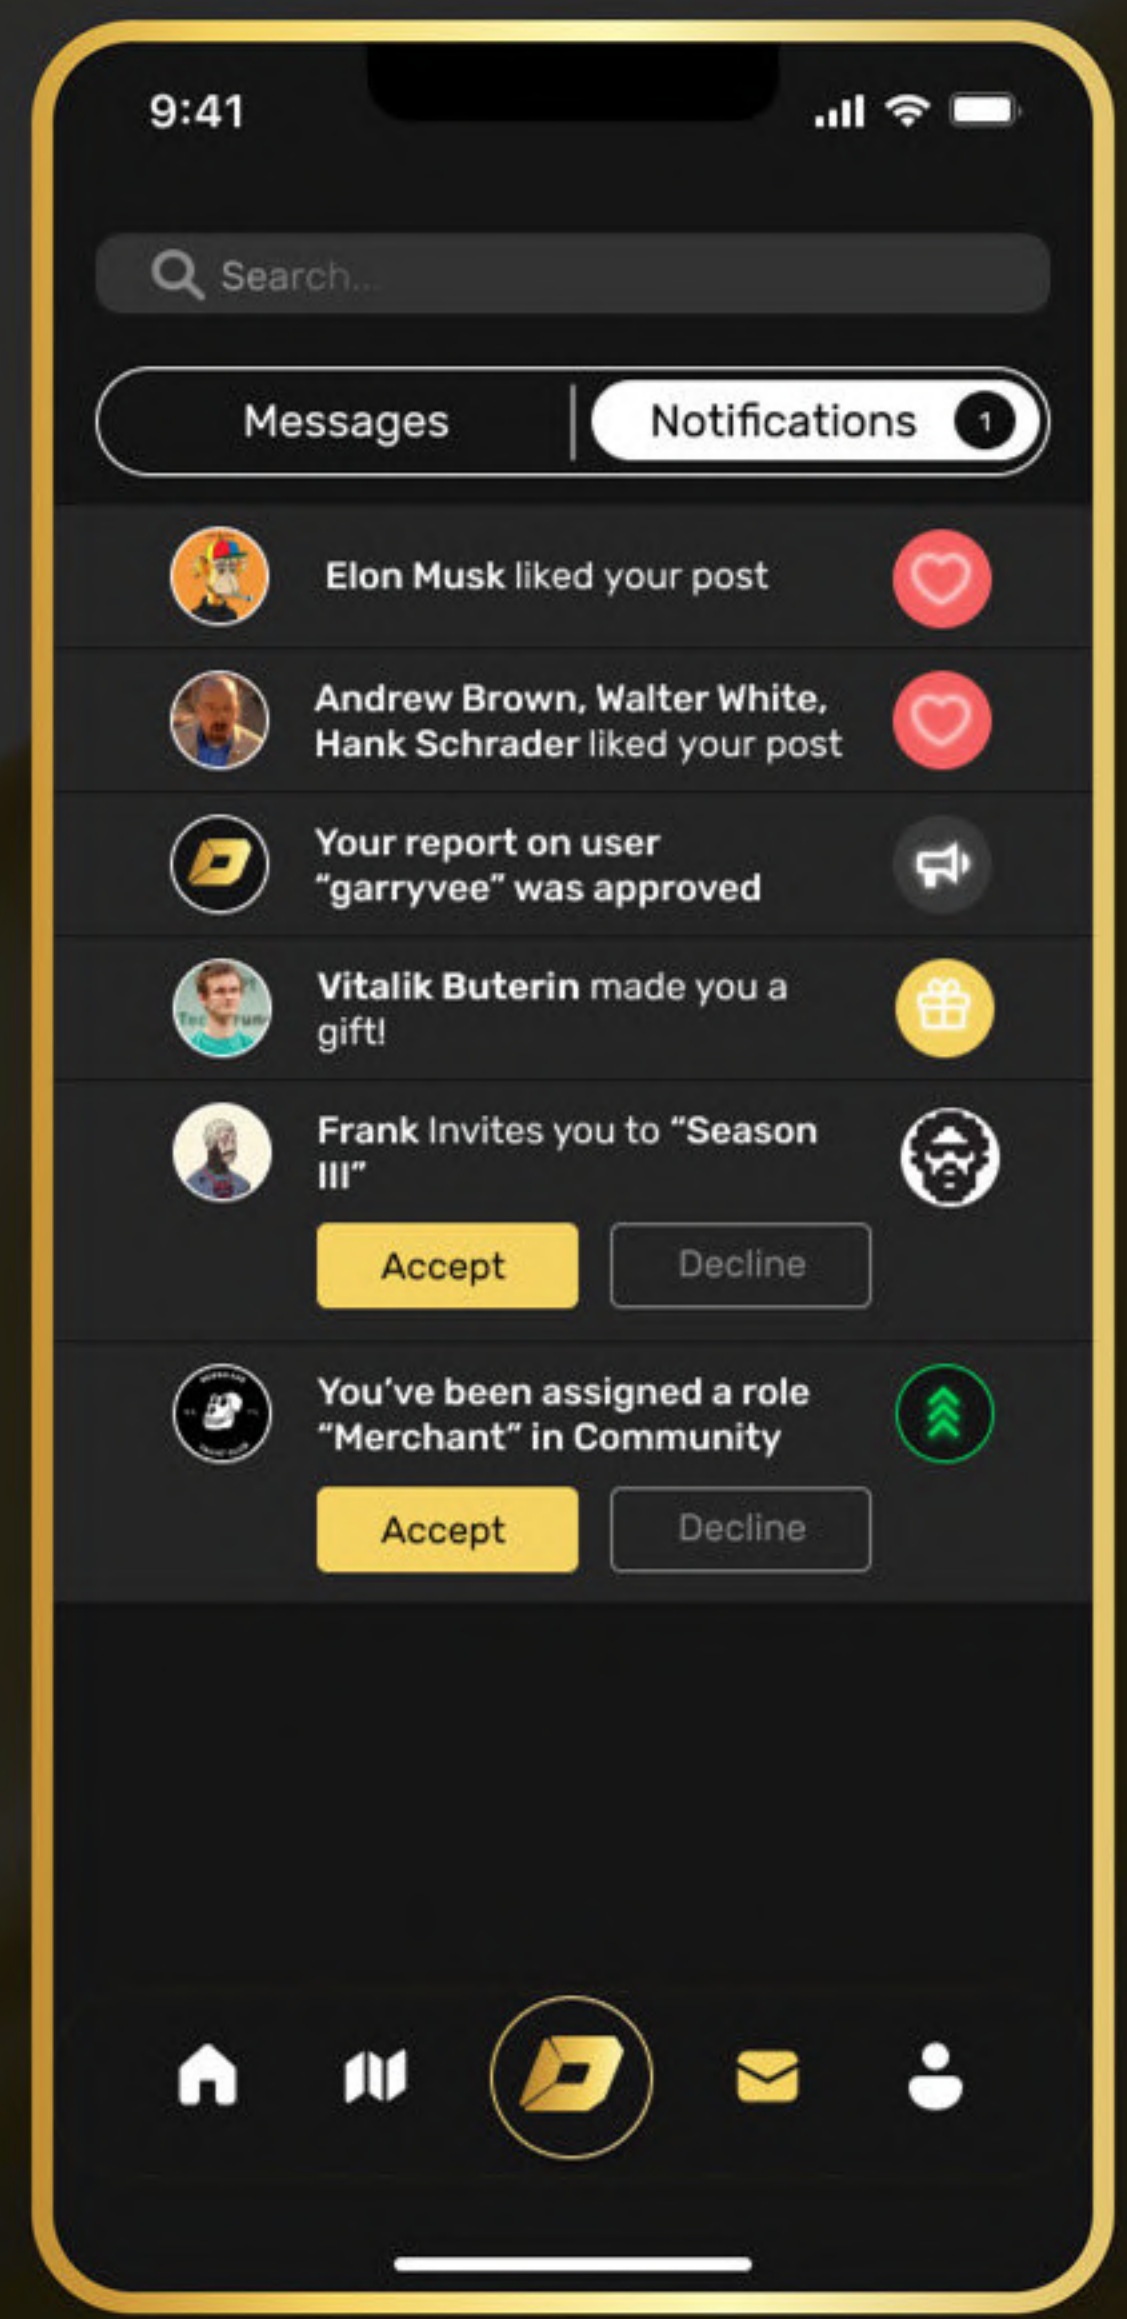

PROJECT OVERVIEW

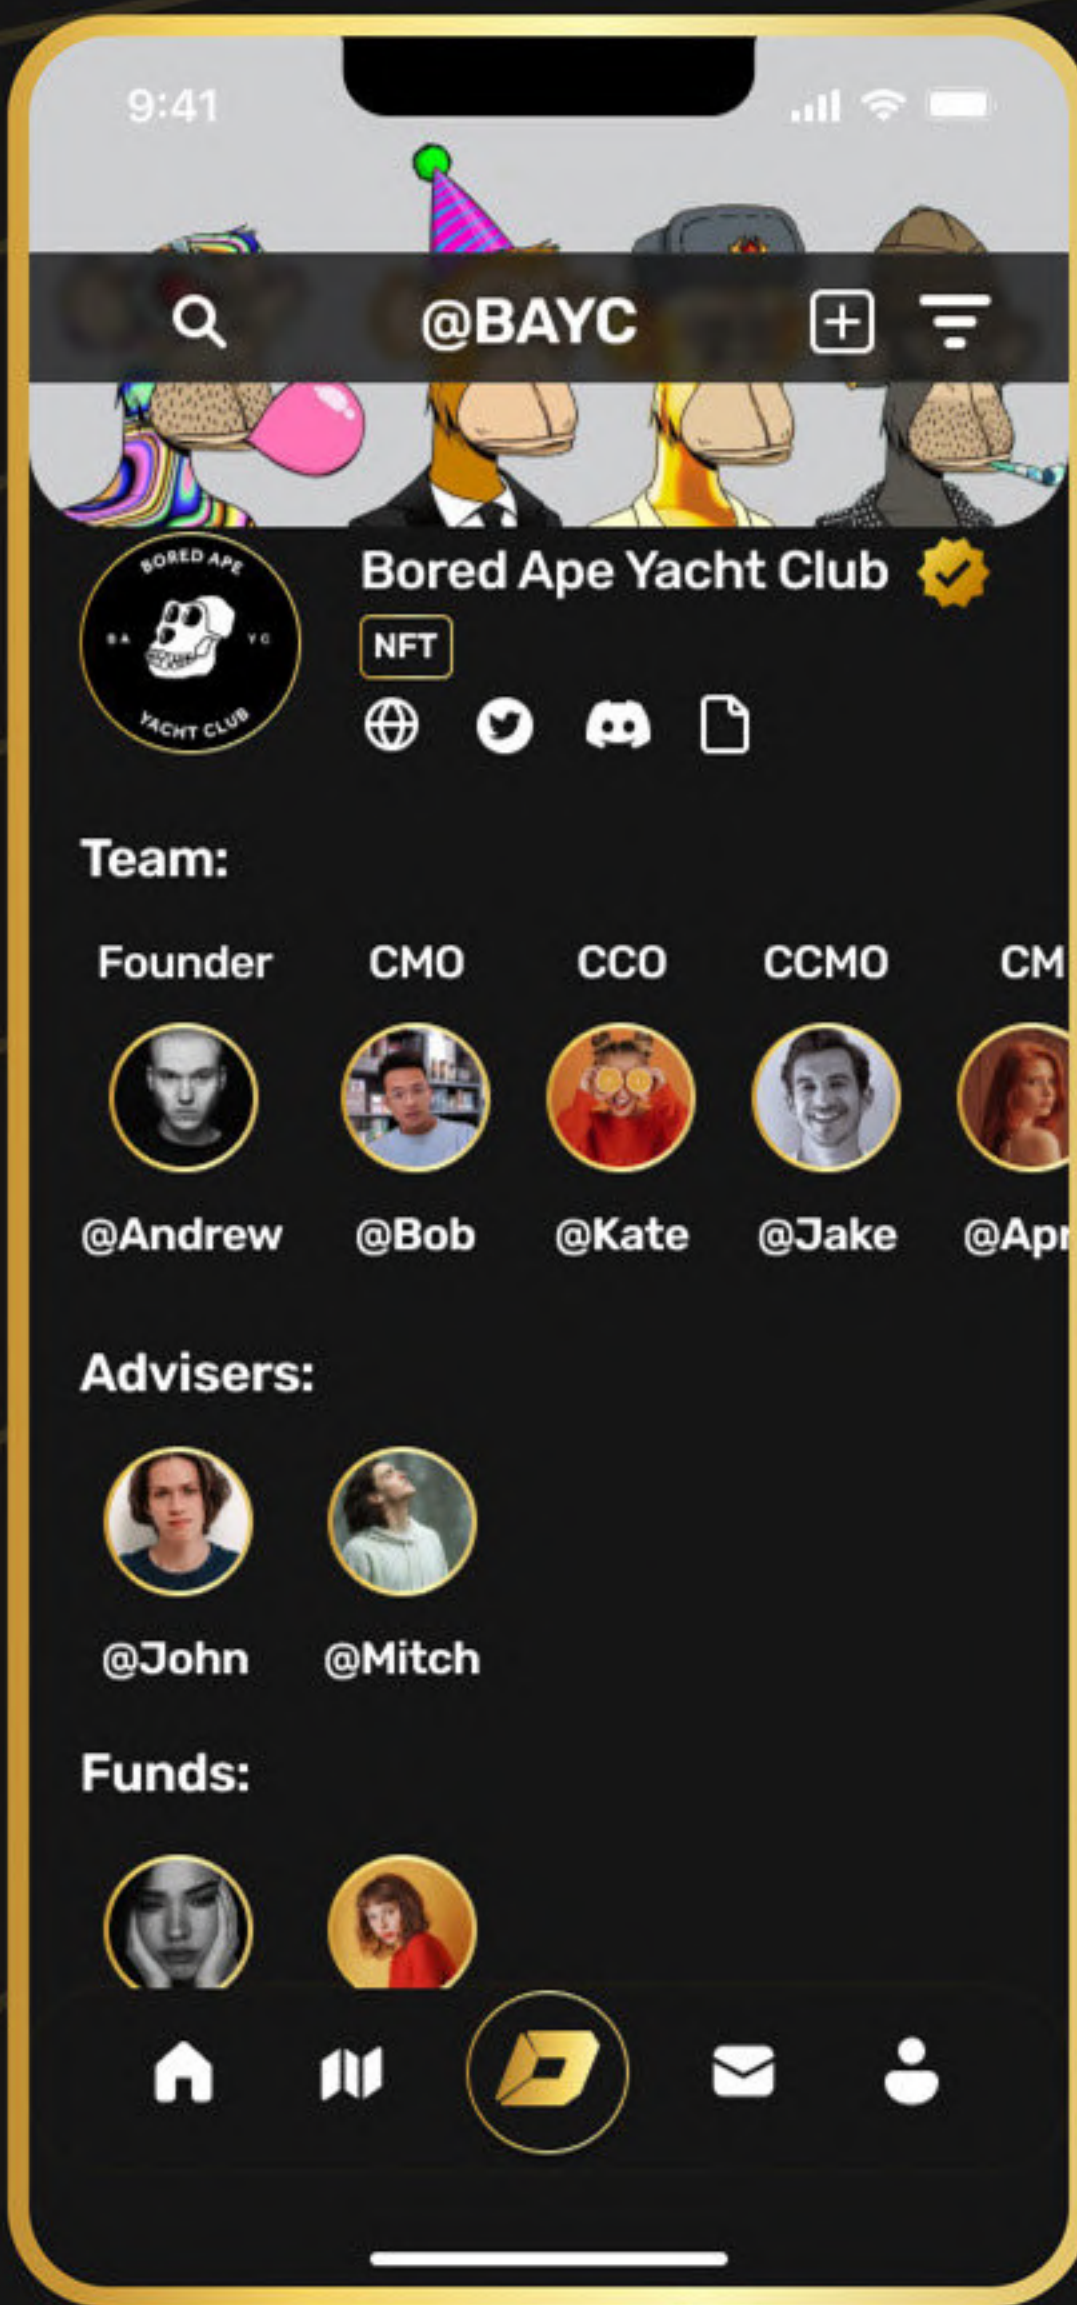

PROOF OF HUMAN ACTIVITY

The proof of human activity consensus model ensures network security by requiring participants to demonstrate genuine human actions, offering the benefits of mitigating bot-driven attacks and fostering a more trustworthy and reliable ecosystem.

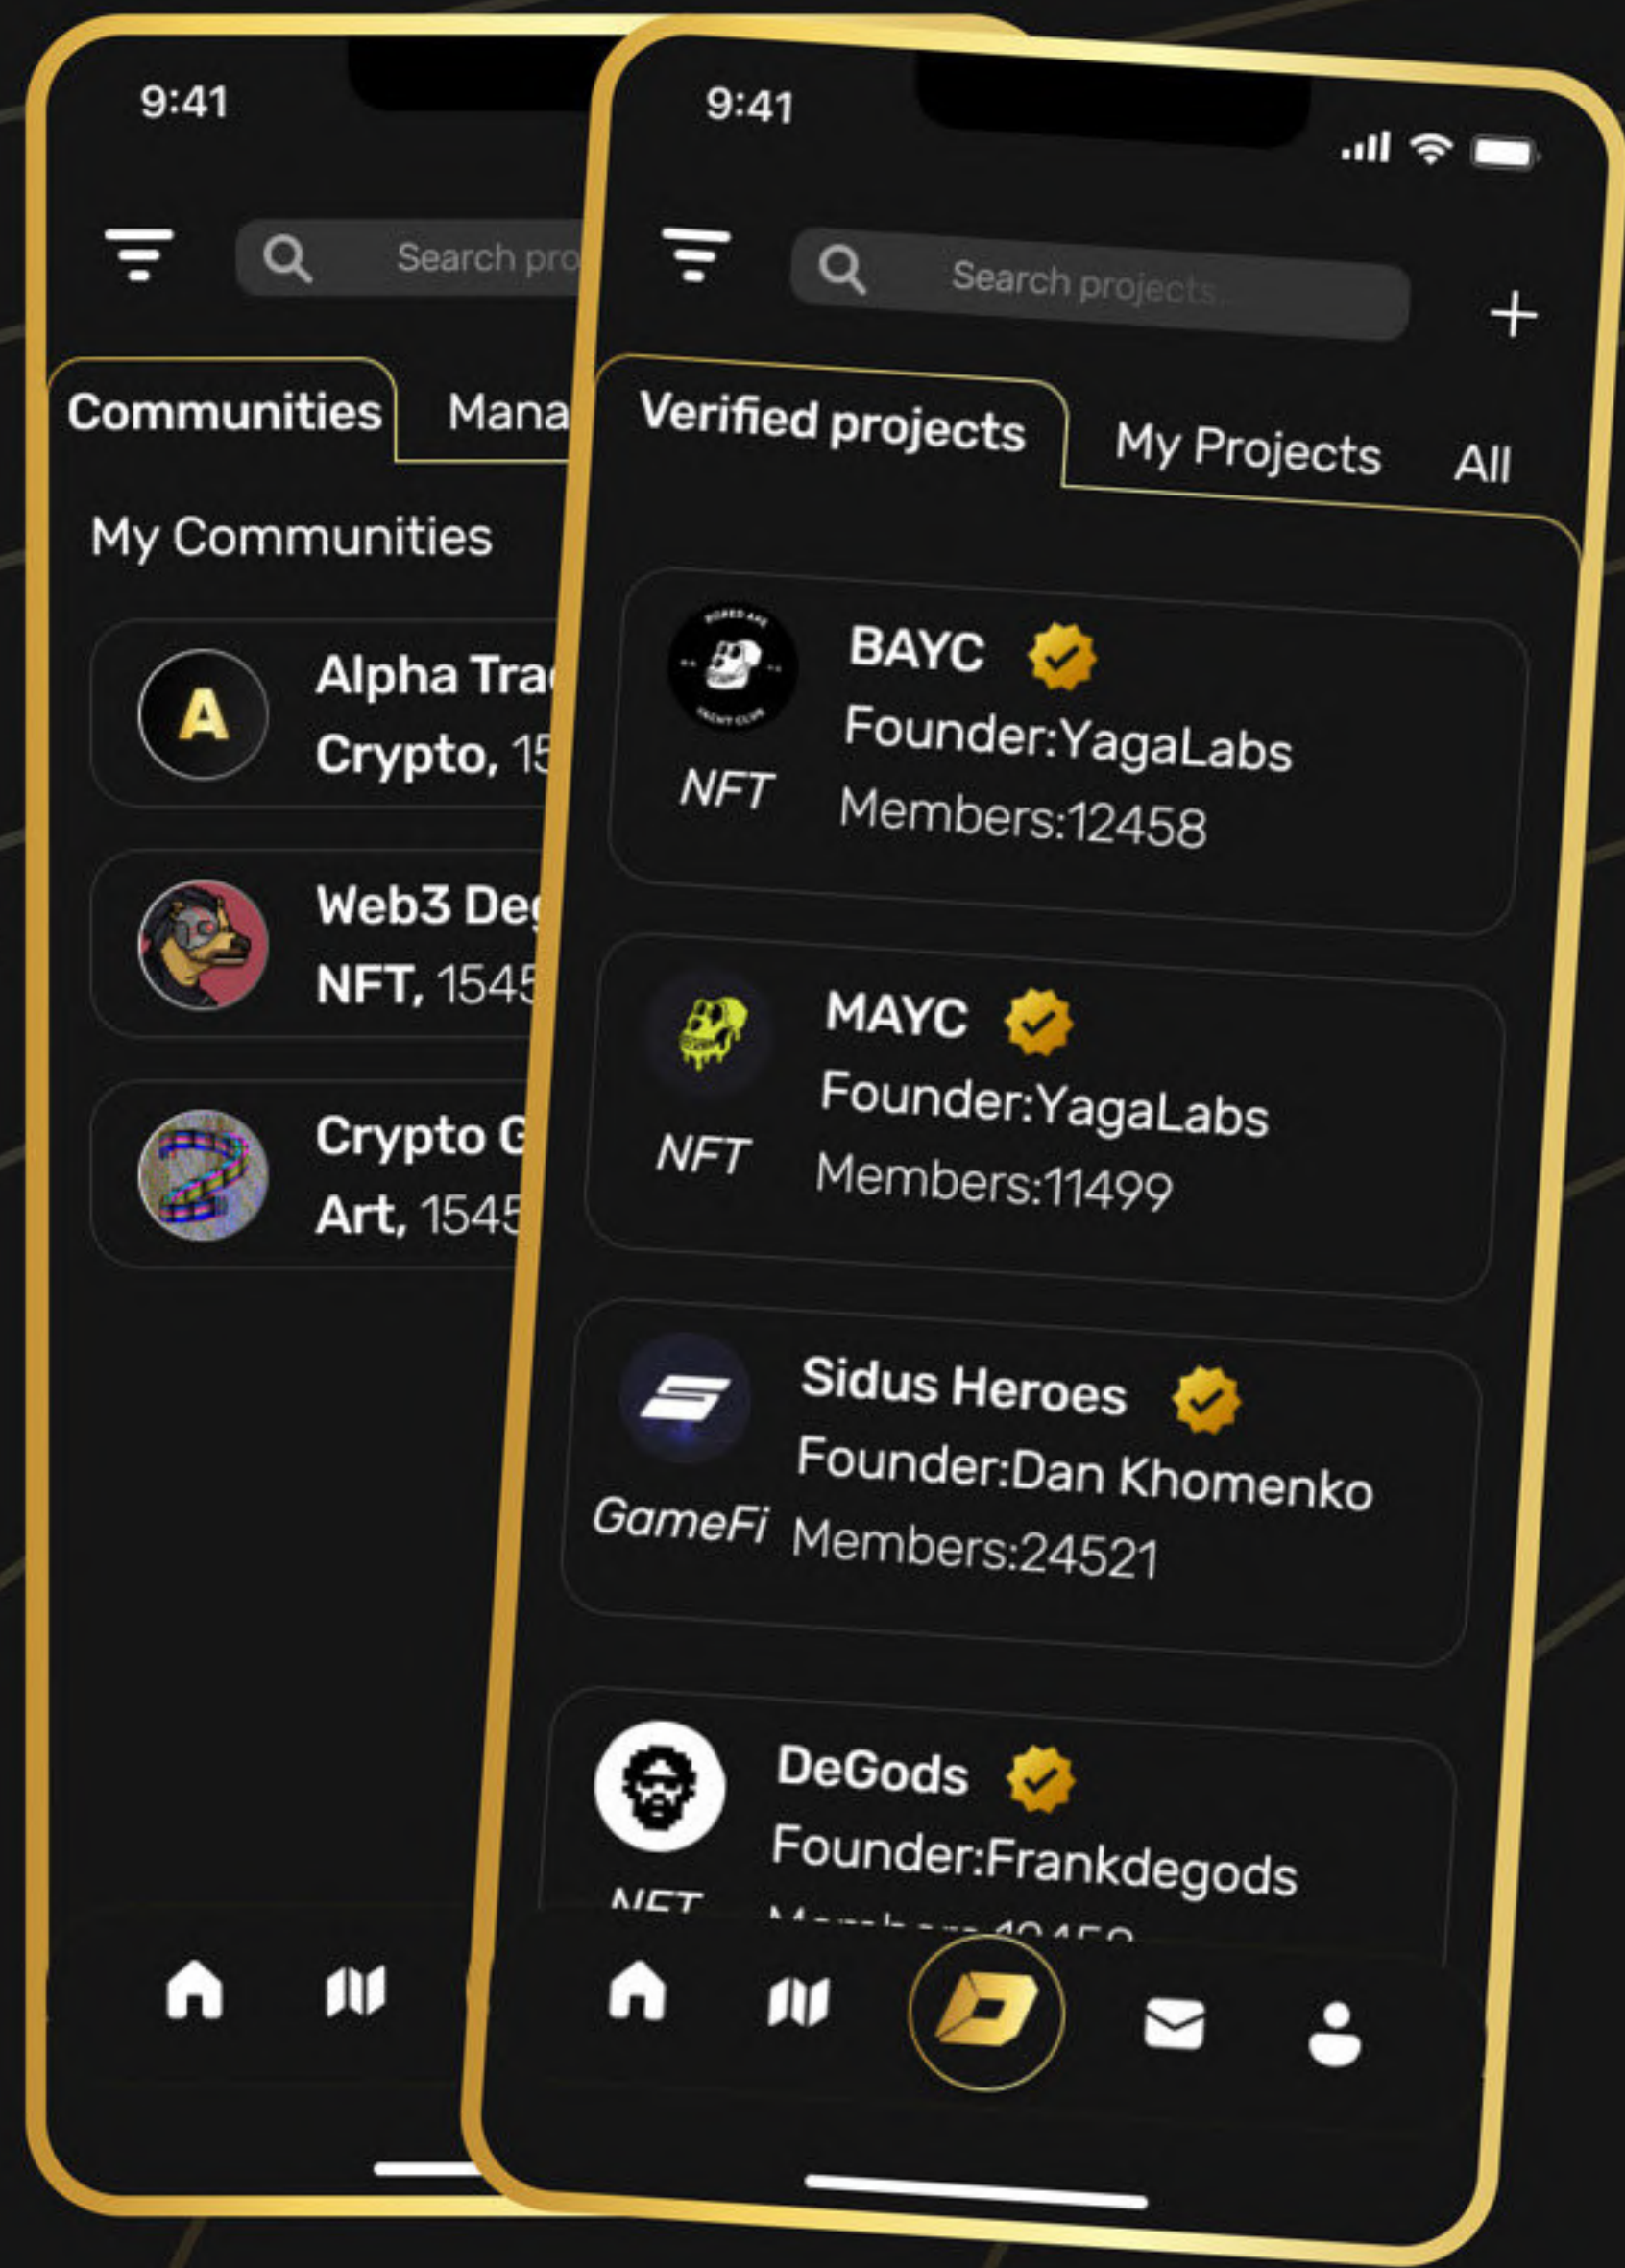

BLOCKCHAIN TECHNOLOGY

Harnessing the power of Web3 and AI, DAOPEOPLE SuperApp is on a mission to revolutionize value creation, reputation, social engagement and rewards distribution for DAOs and crypto communities.

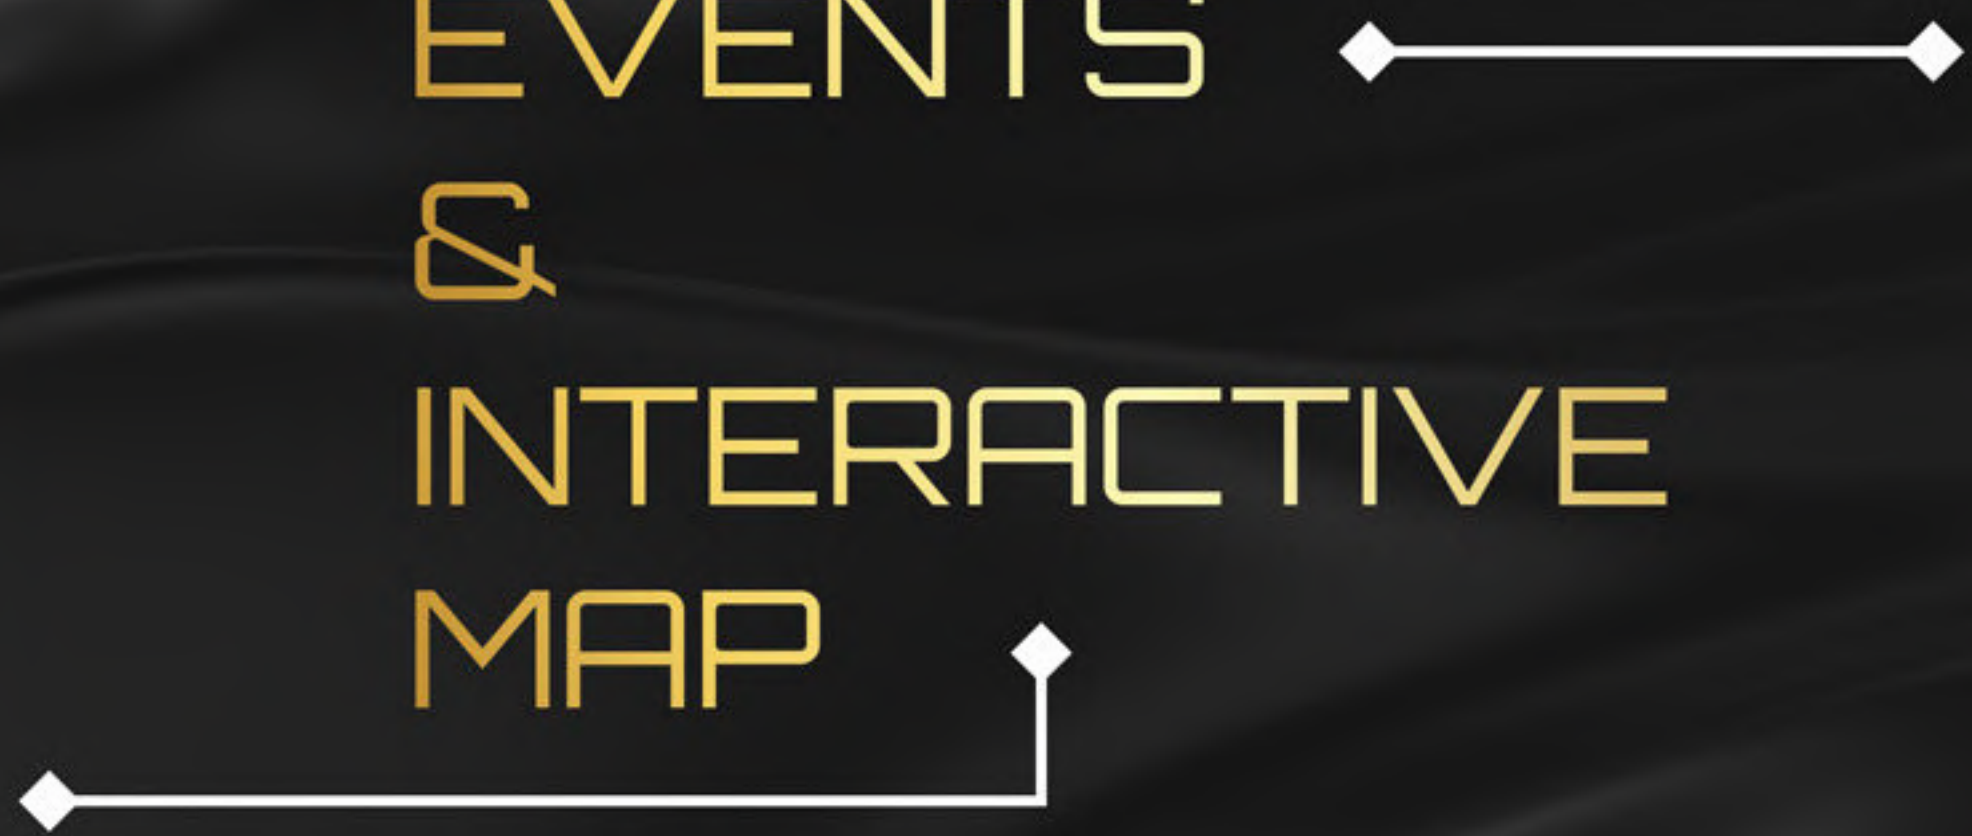

PROJECTS & COMMUNITIES

Pages of various communities and crypto projects. Complete information about the project, its team and partners, community management tools, roles and channels in one place.

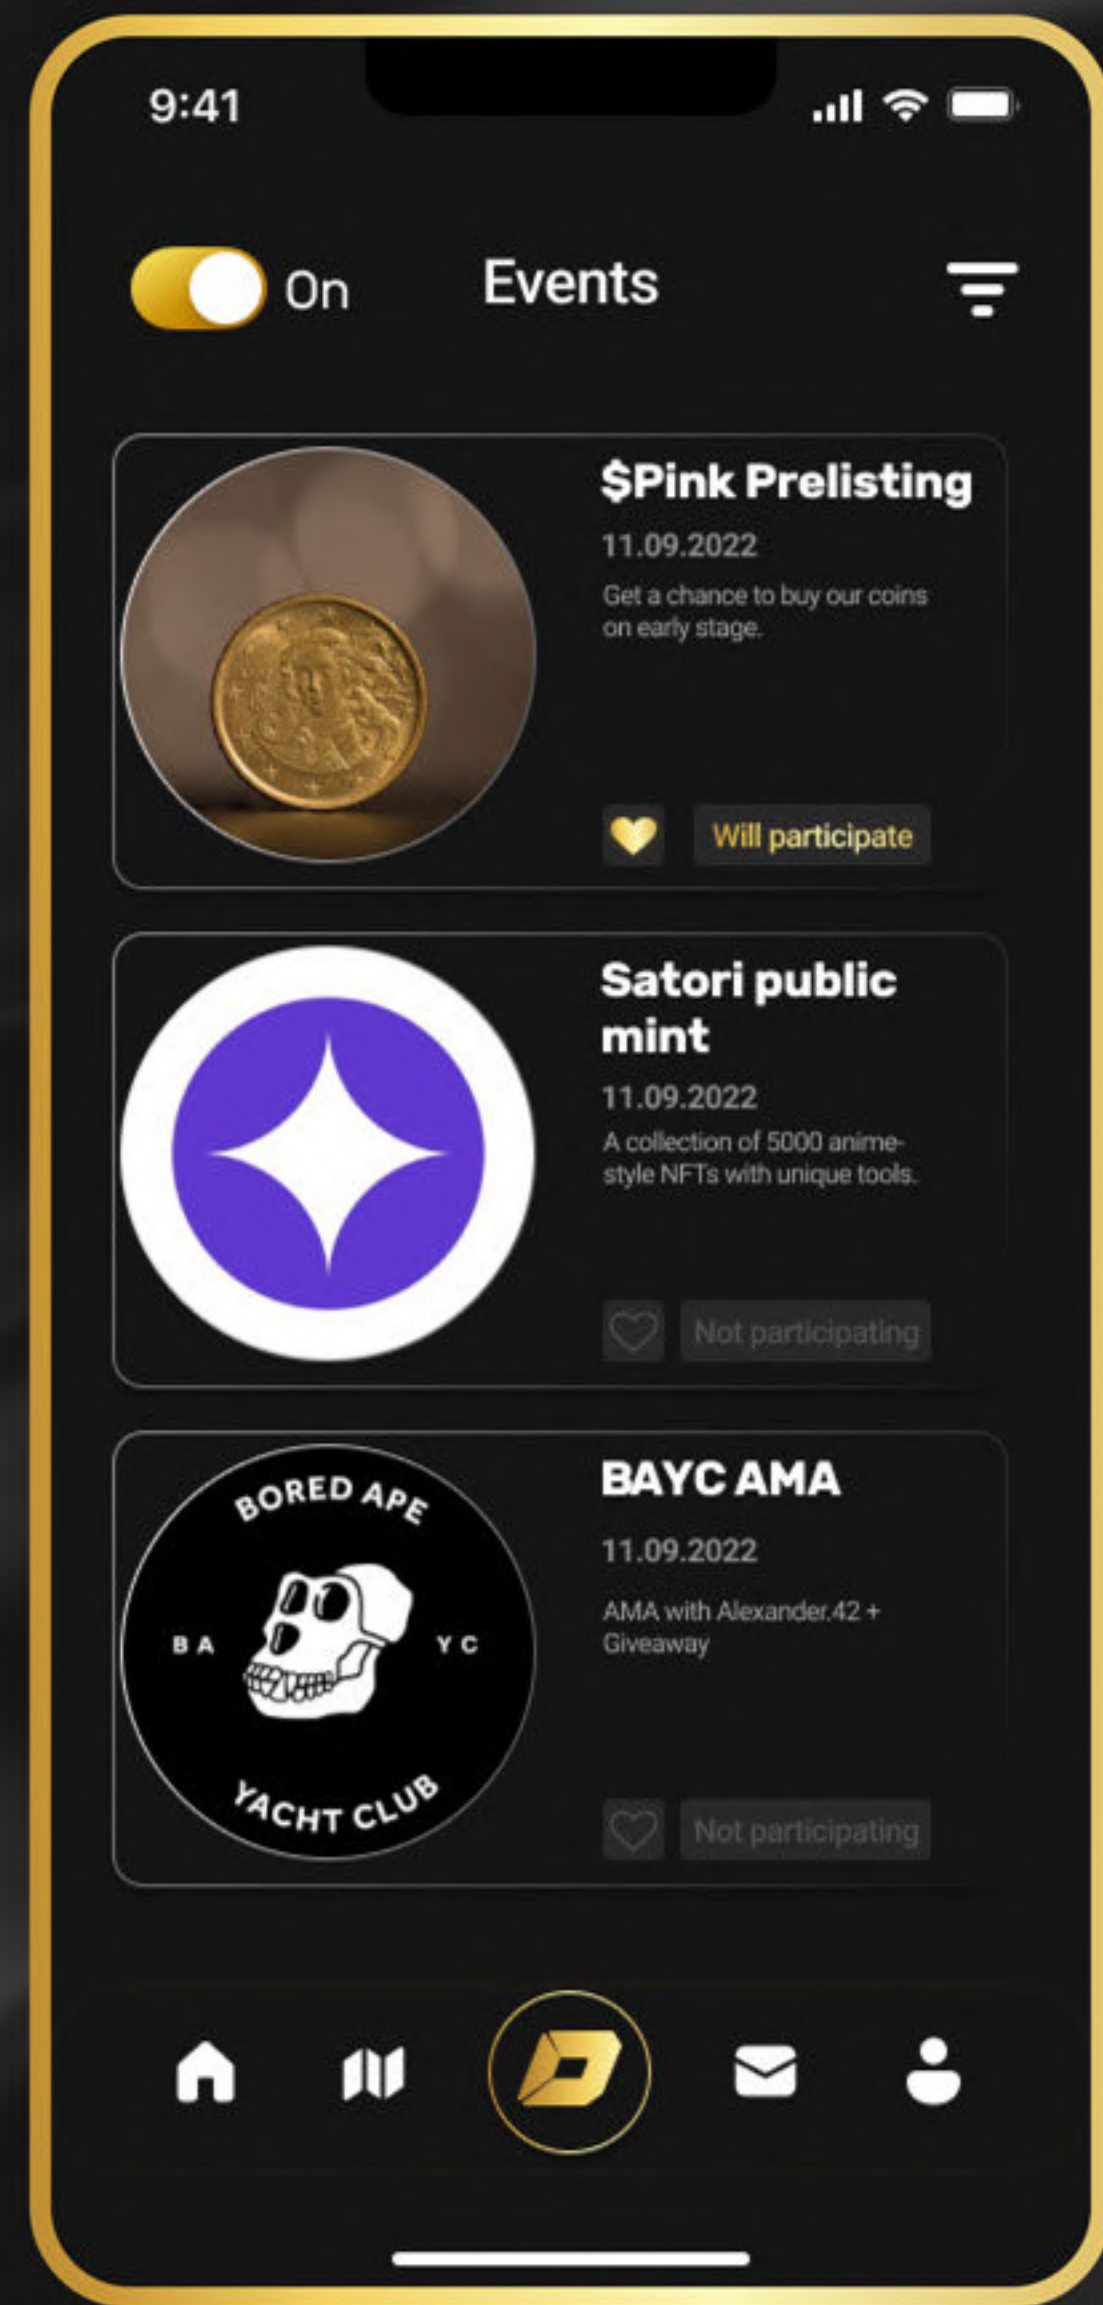

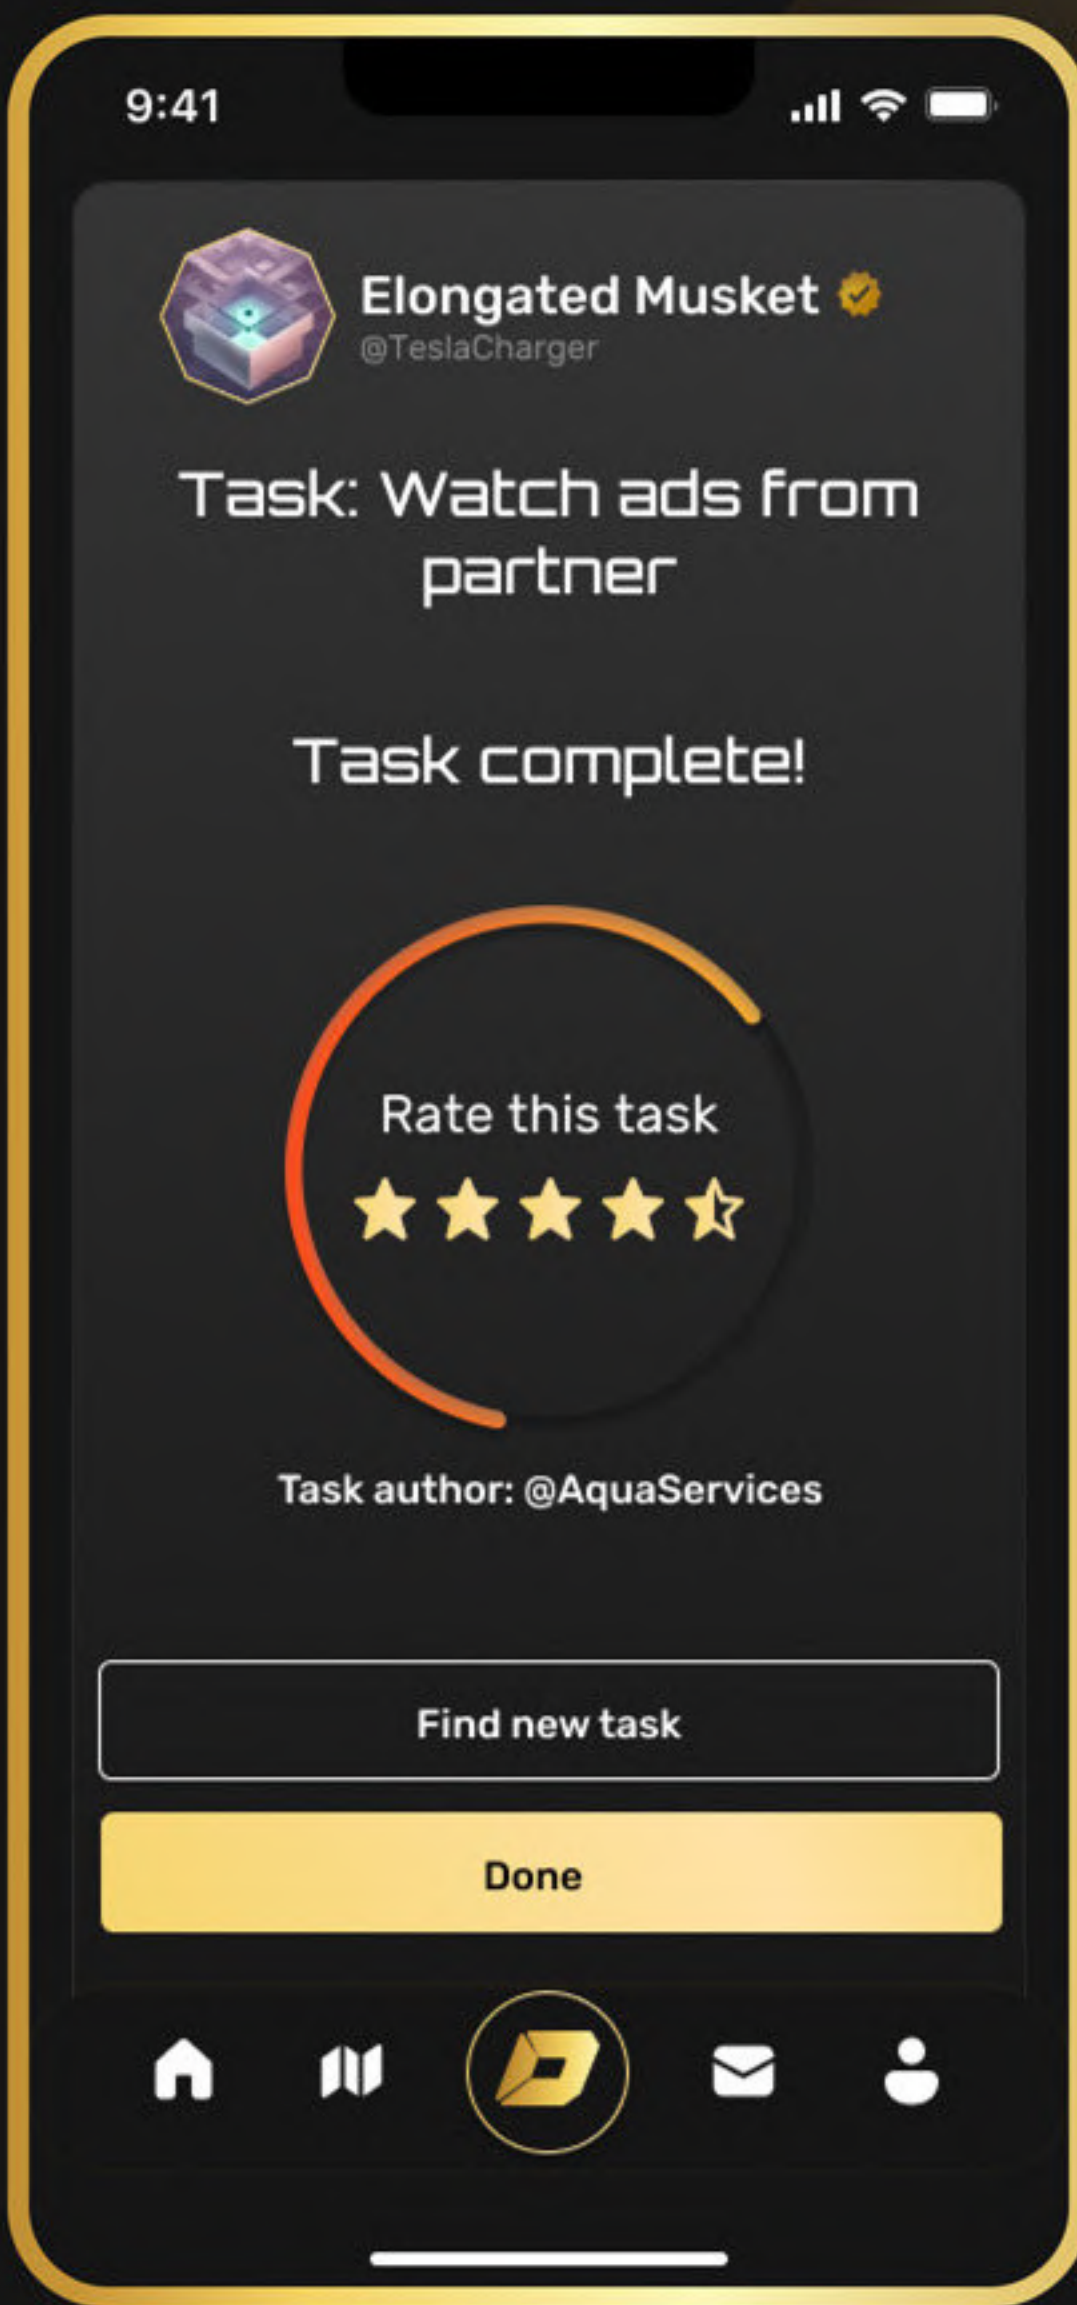

EVENTS & INTERACTIVE MAP

Find information about upcoming events, both real and online. Interactive live map of users and events will allow you to always stay at the crypto party.

KEY FEATURES

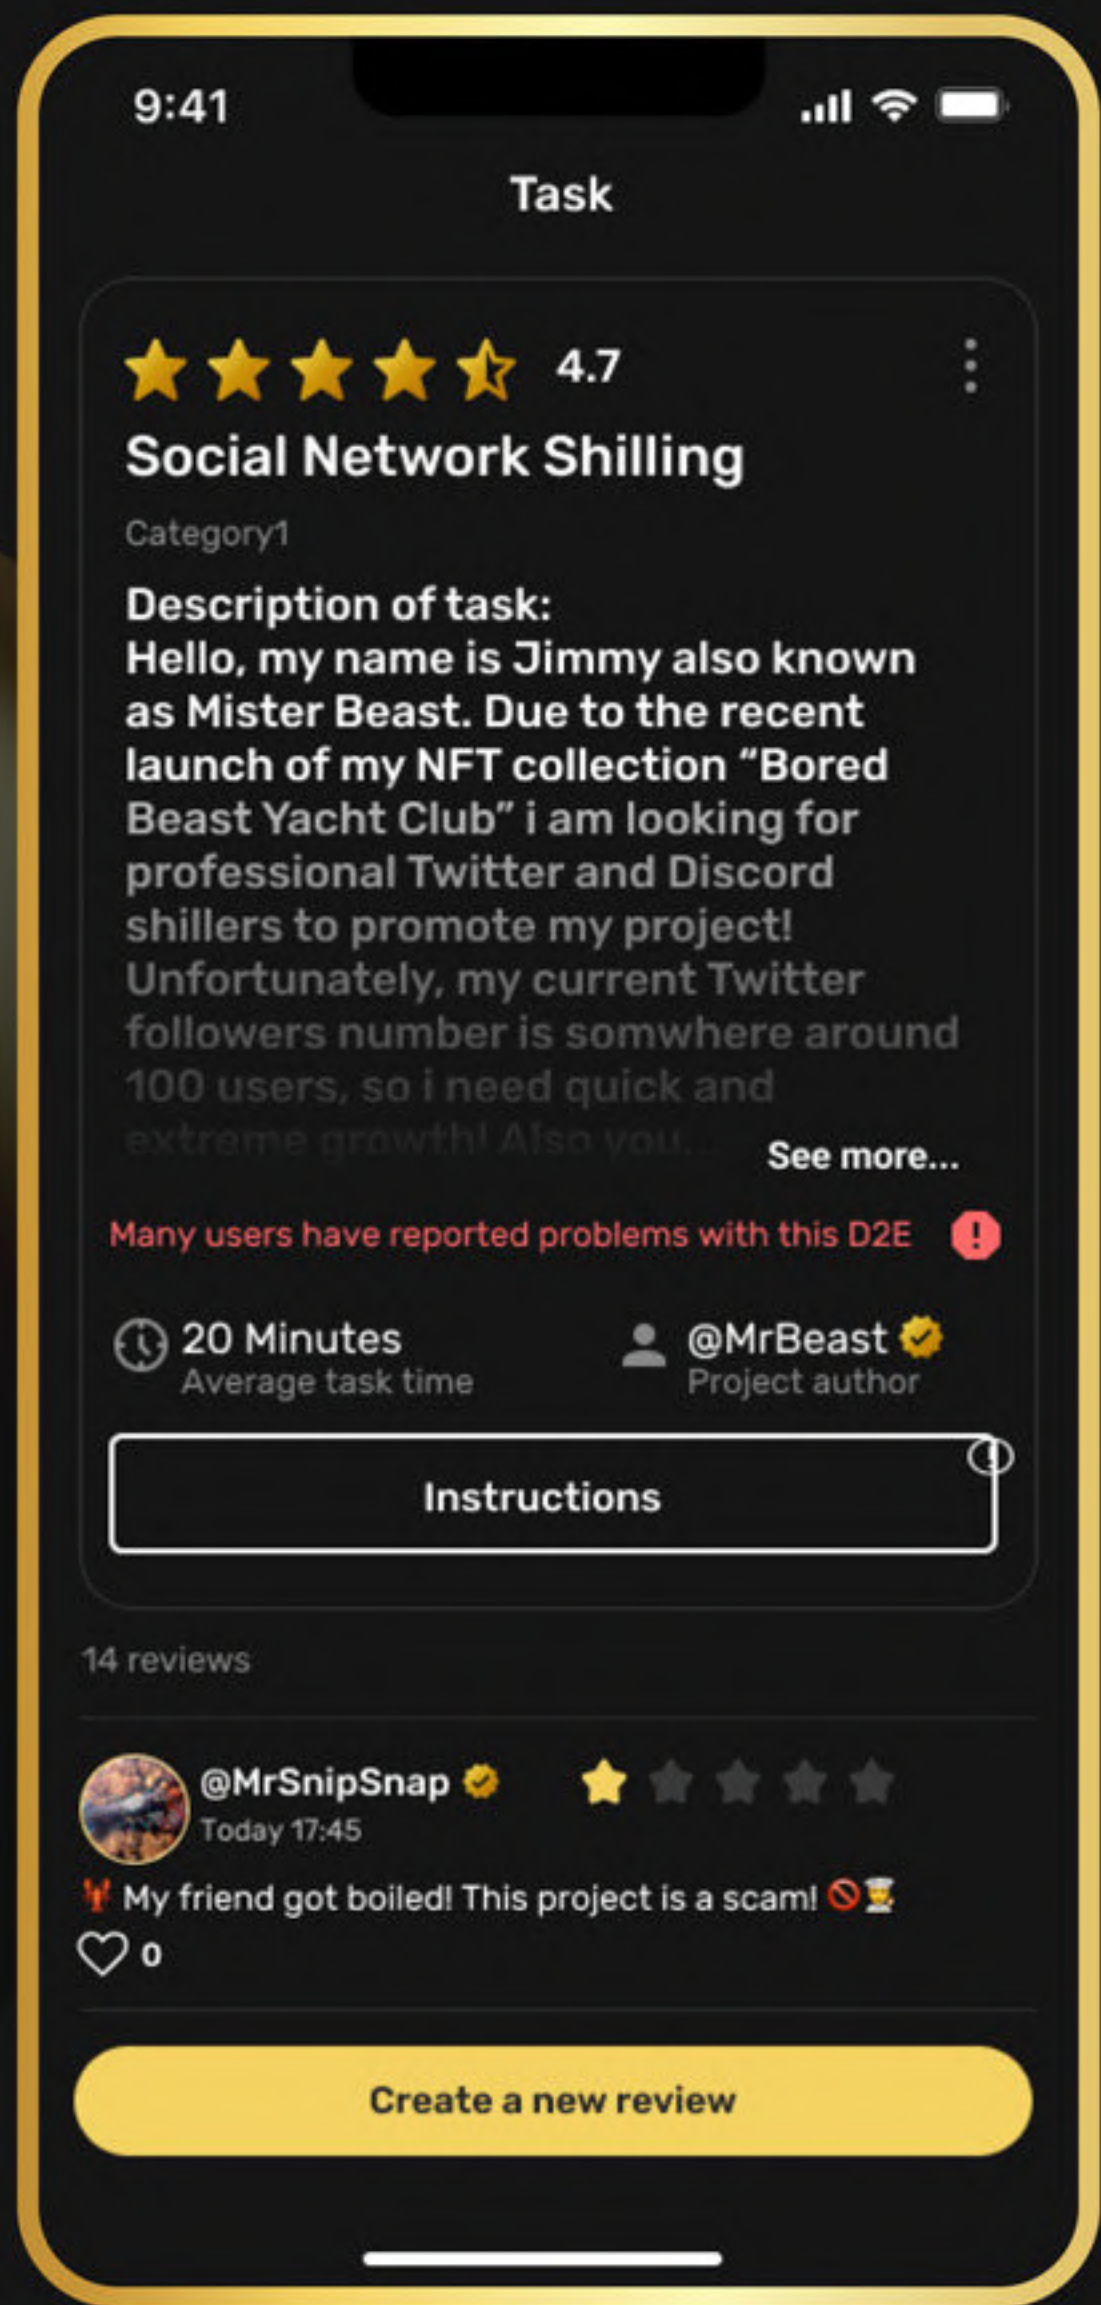

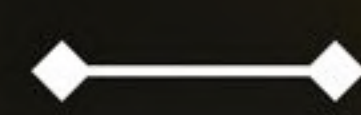

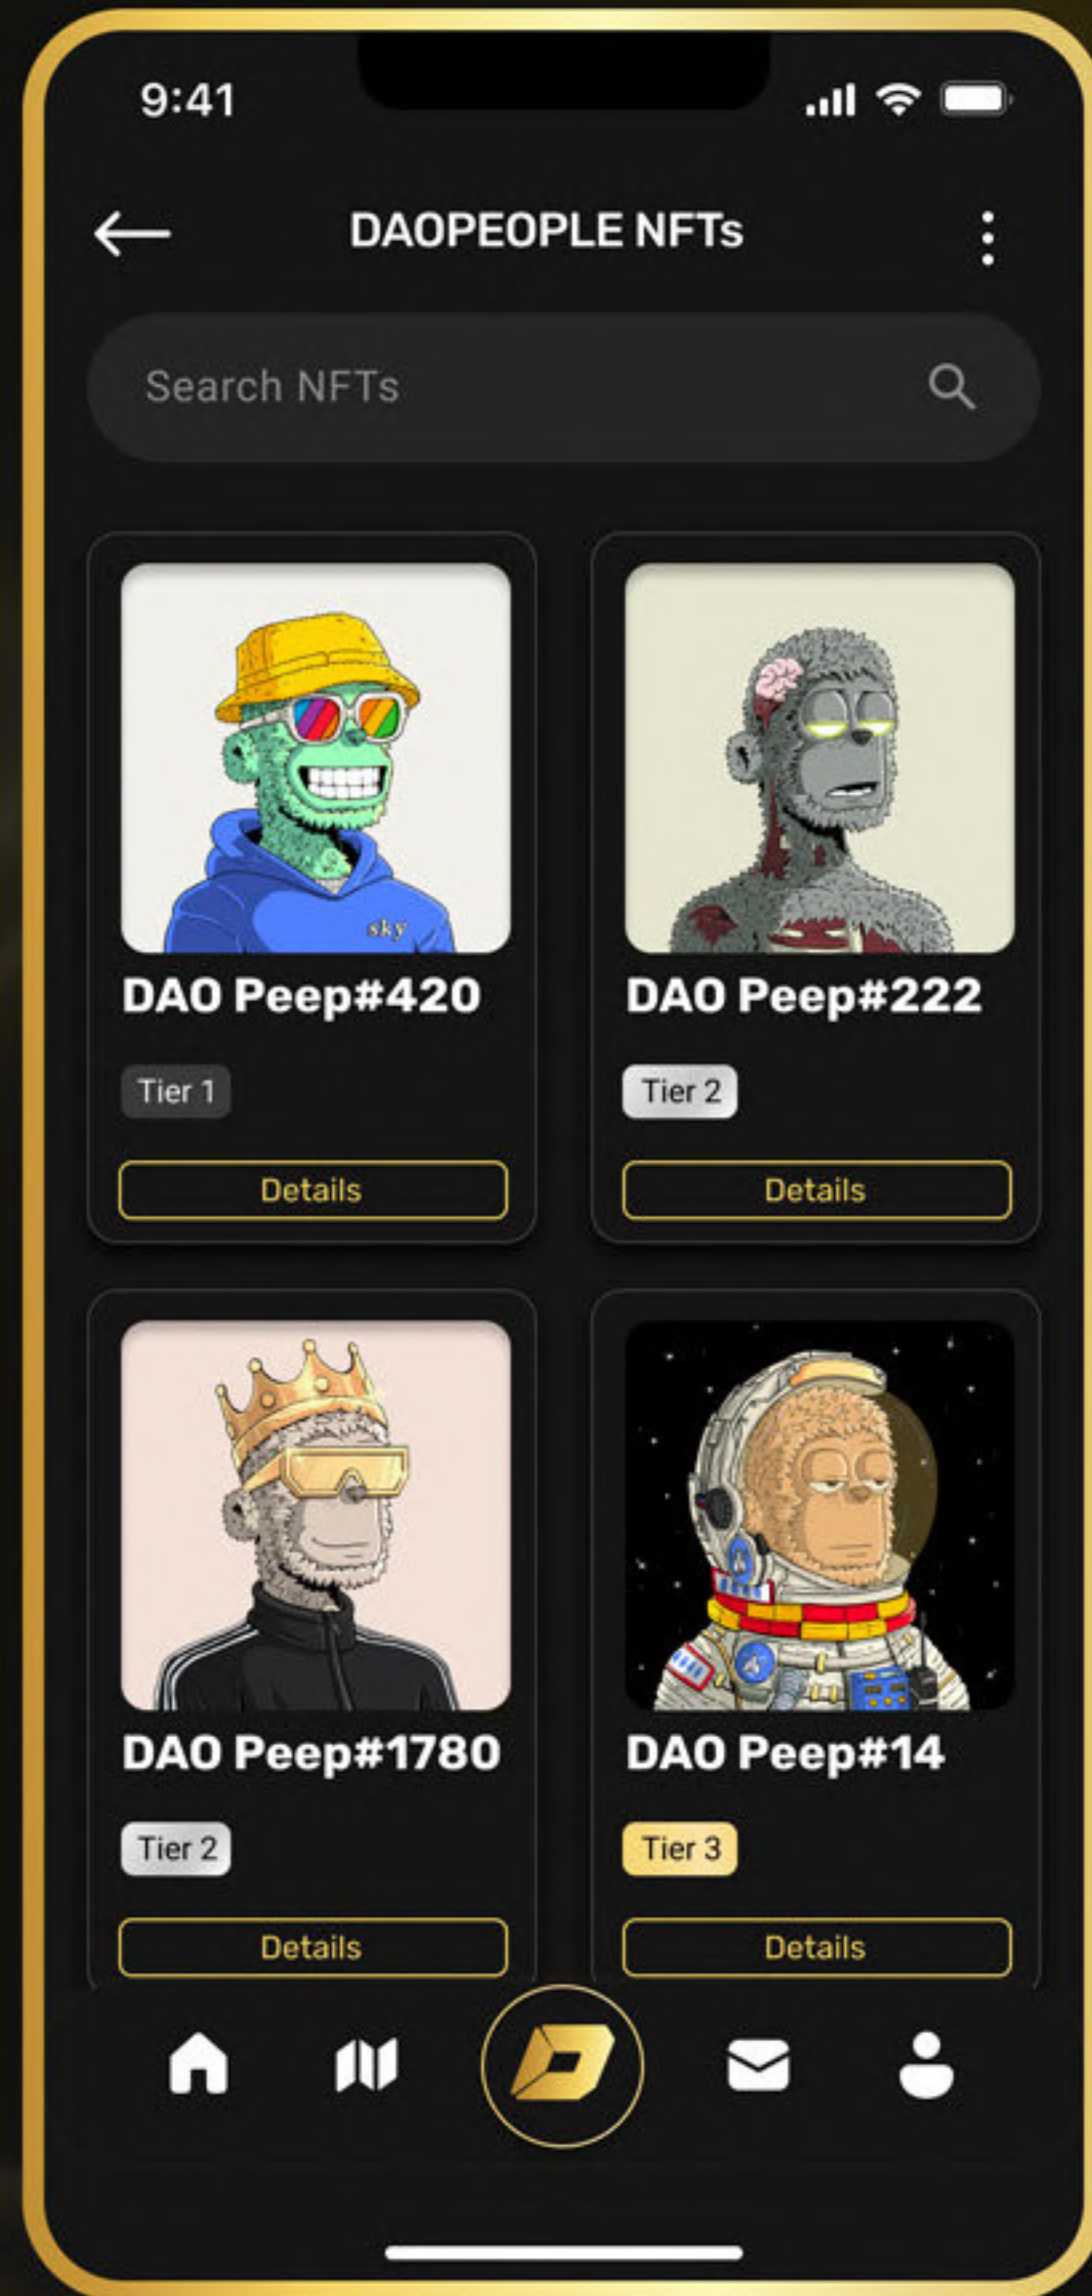

D&E

Find ways to earn money in Web 3 or tools for doing business. The system of reviews, rating and verification will protect you from scammers.

Get paid in crypto after your job is done, track your workers progress through API or reports!

In order to get access to D&E user needs to hold at least Tier 1 NFT for more than 7 days, with D&E he will be able to generate additional income stream by providing genuine social engagement over multiple platforms.

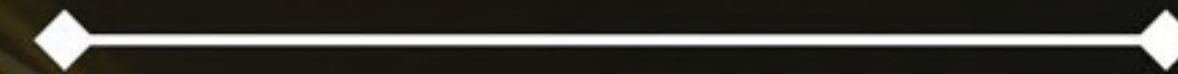

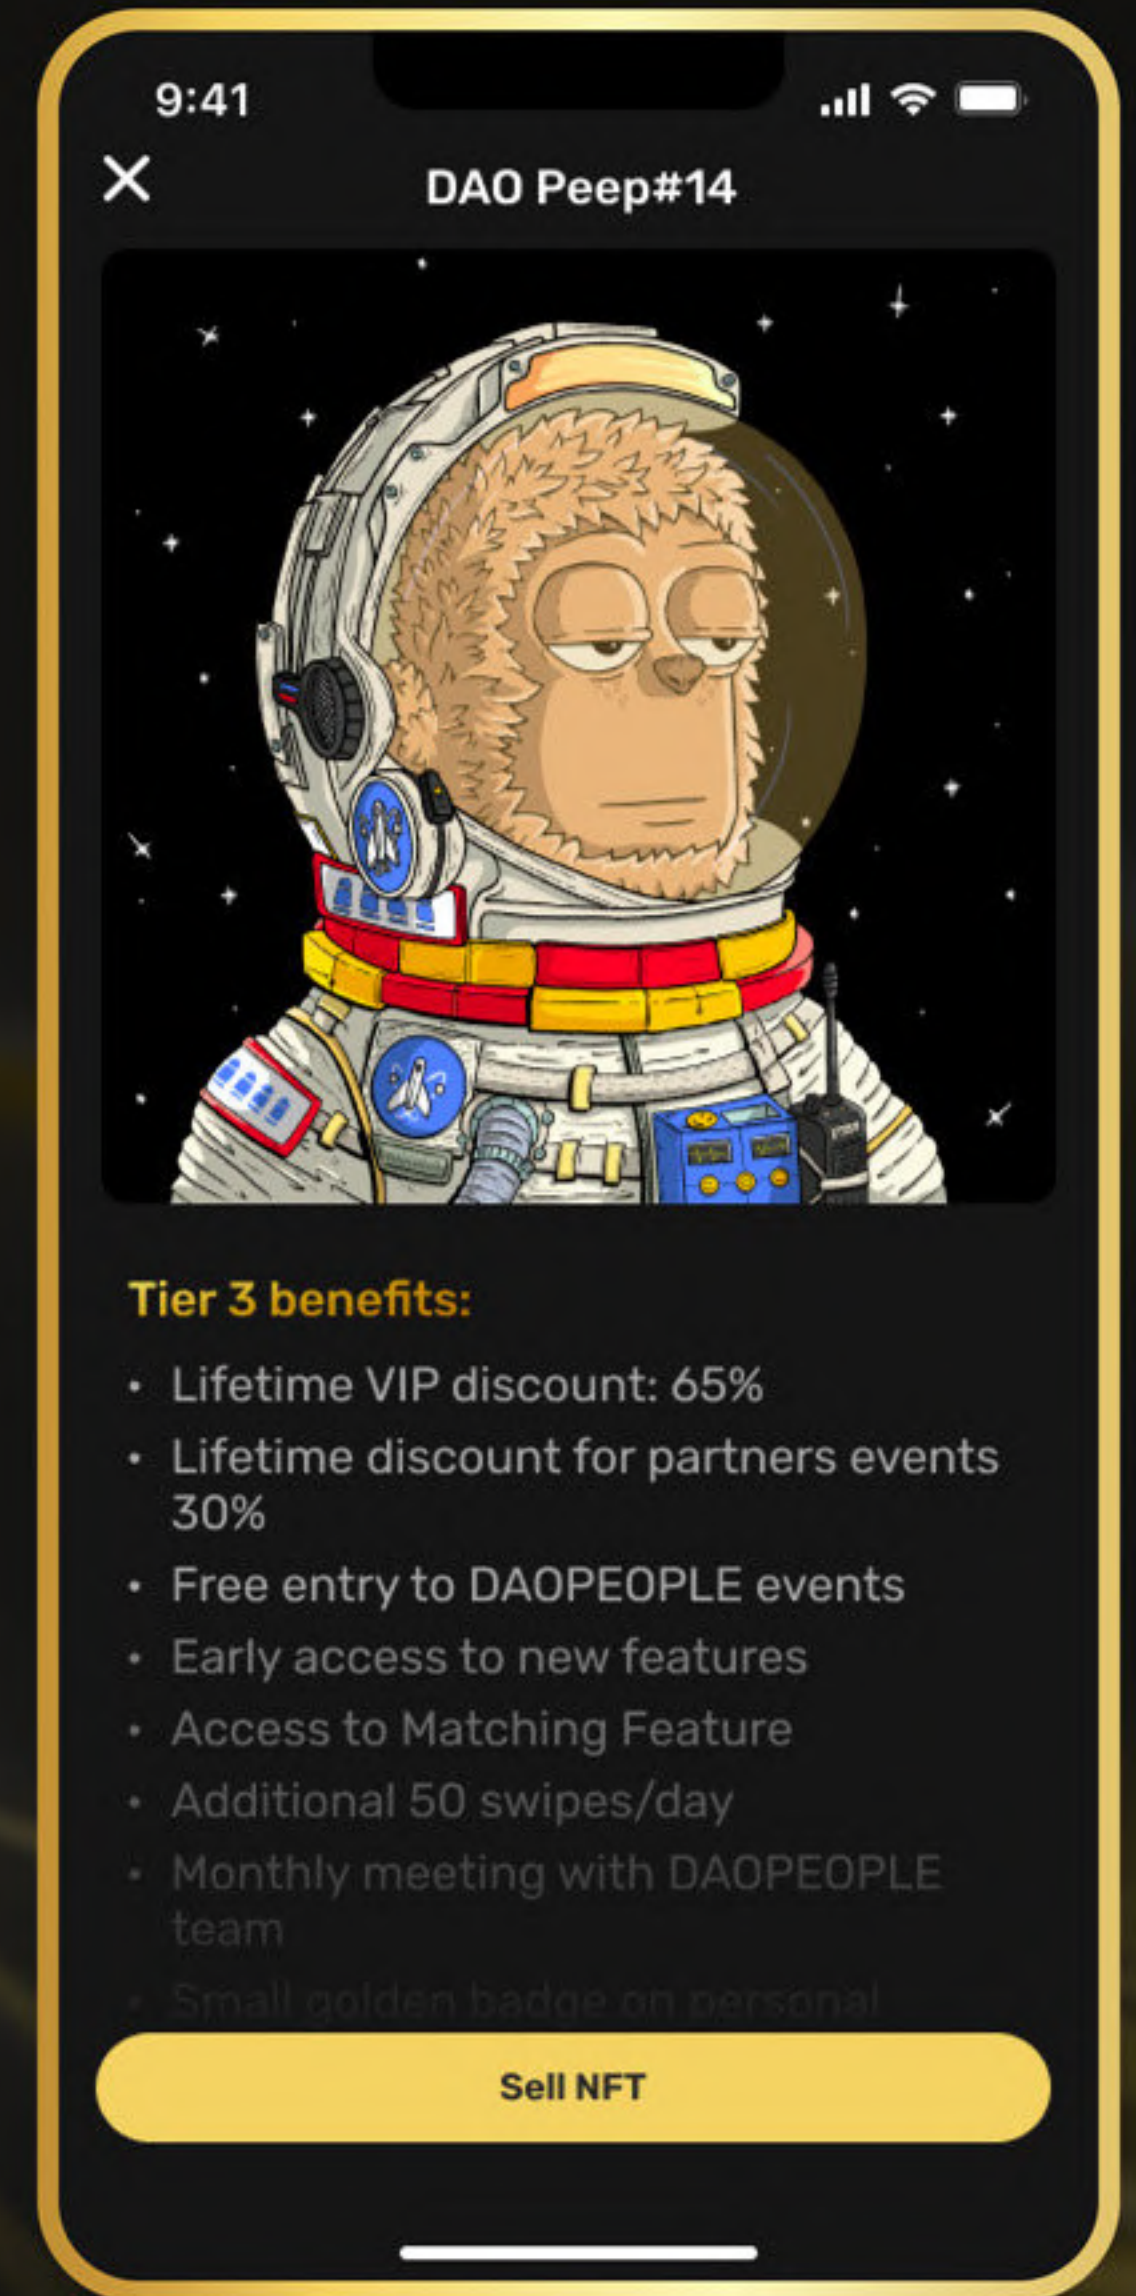

DAOPEOPLE NFT

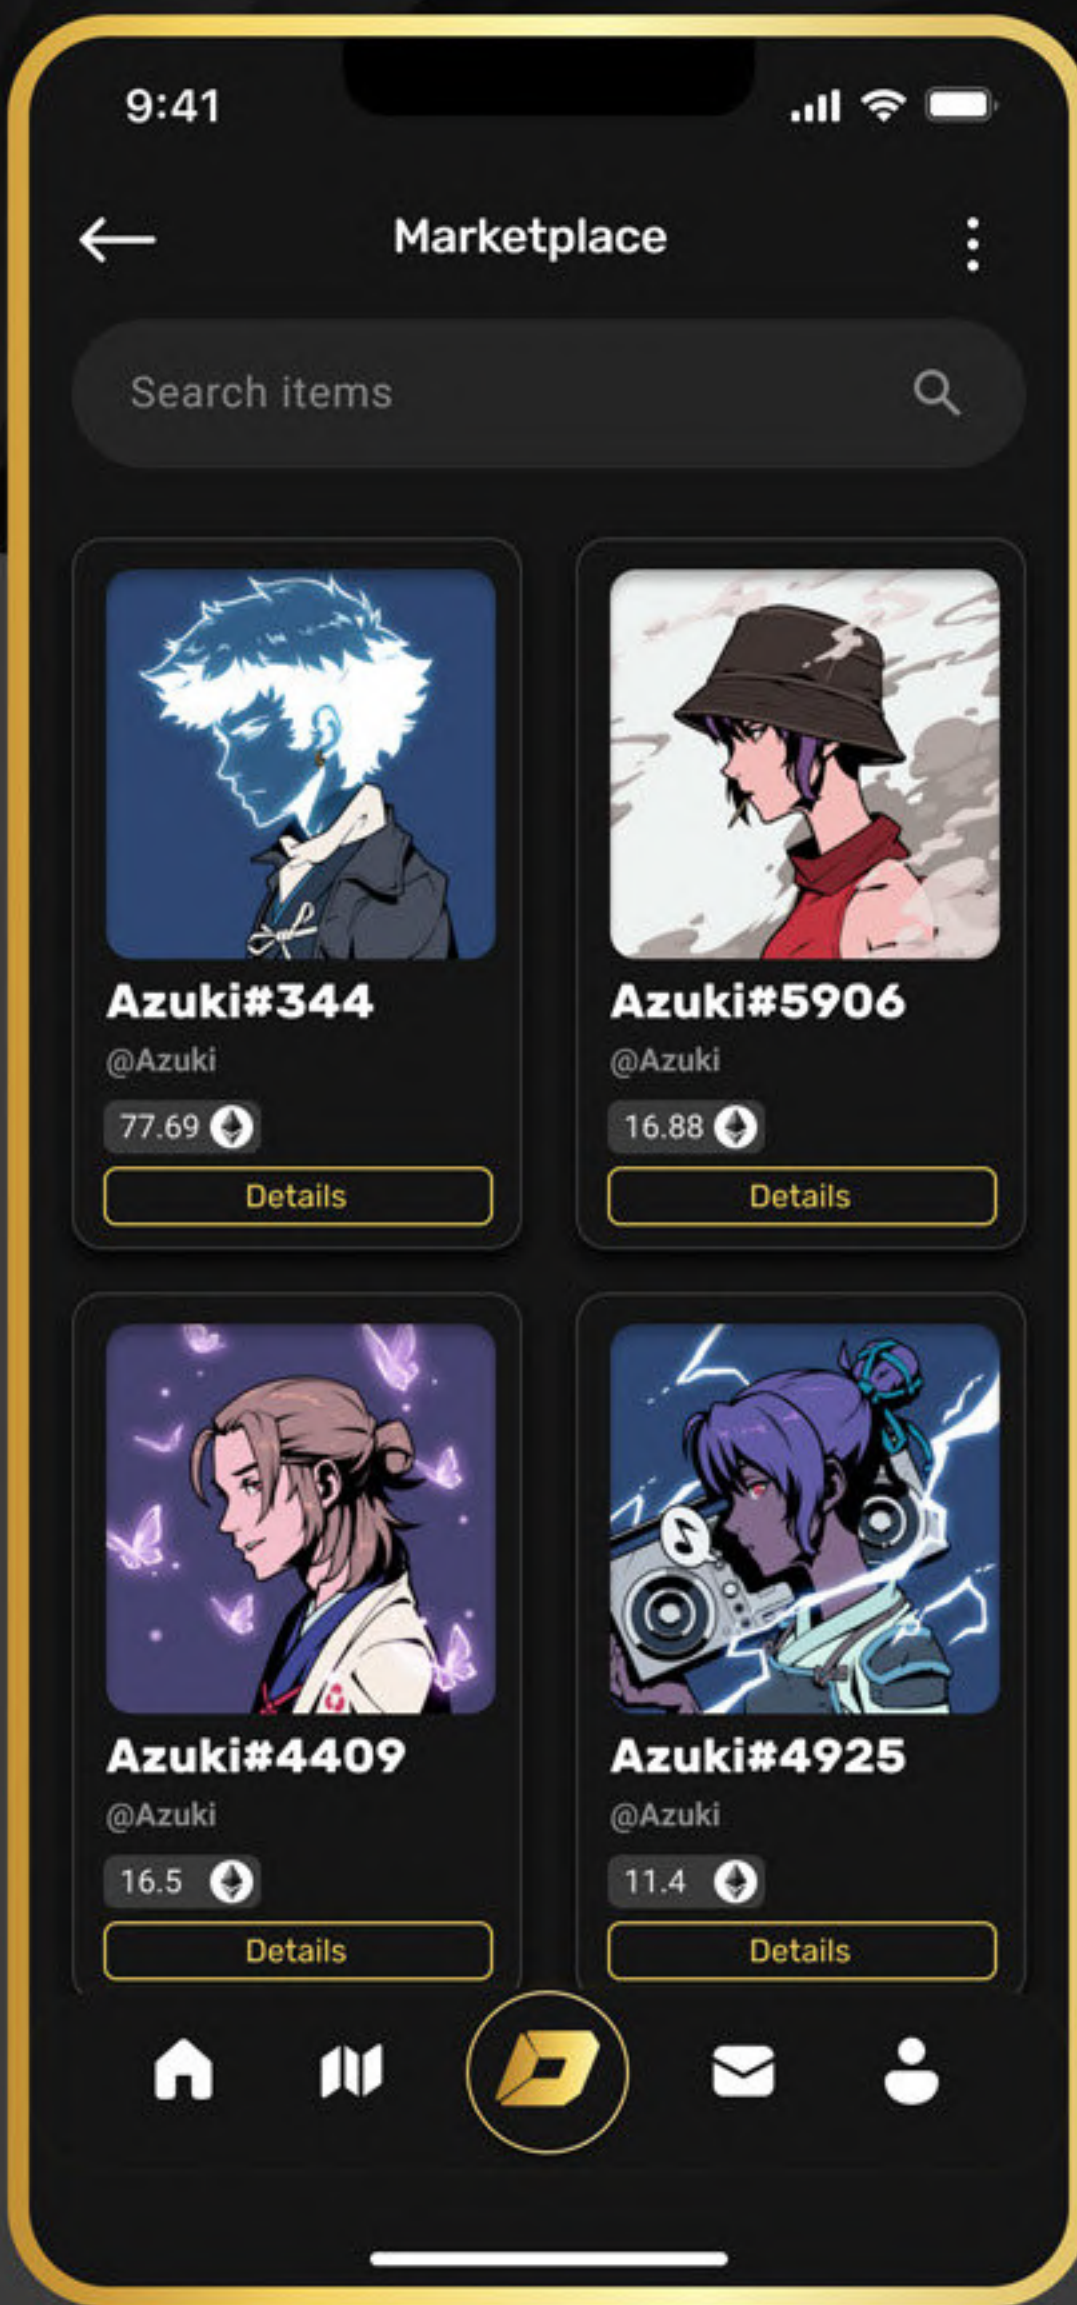

Our own NFT collection, created to provide additional benefits to our users and supporters.

There will be several “Tiers” for NFTs - the higher the level, the higher the amount of your benefits!

Also, while user keeps his NFTs in the Mining Pool, he will receive additional Token Rewards and % booster in D&E section.

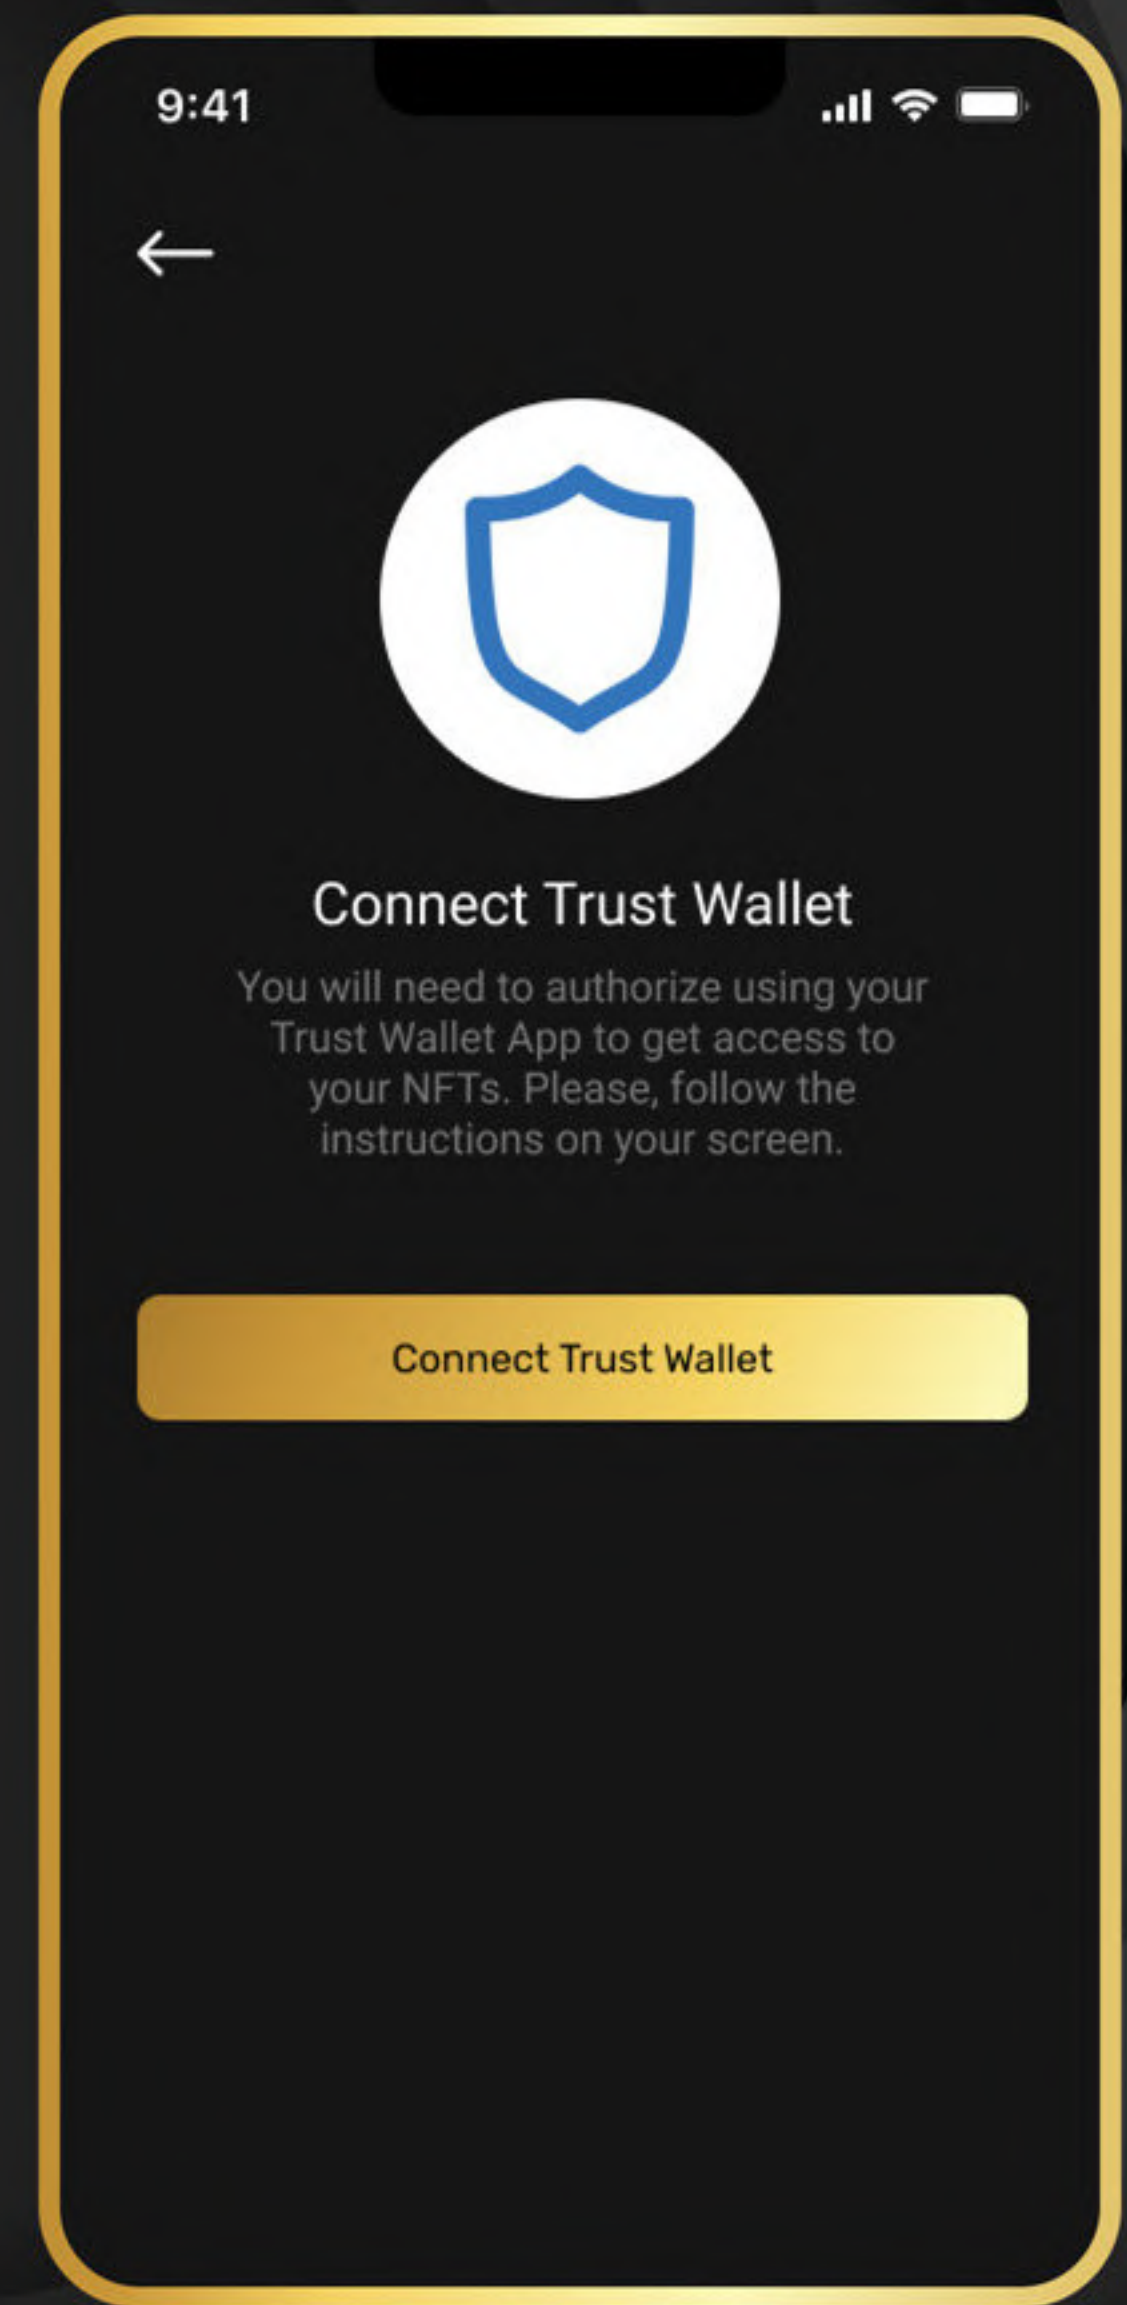

NFT MARKETPLACE

Safely sell or buy NFTs through DAOPEOPLE app.

TRUST WALLET INTEGRATION

Fully integrated with Trust Wallet technology for smooth and secure experience

BUSINESS MATCHING

Find interesting people from the crypto world. Are you at an event and want to get to know its participants better? Or do you just want to find a new team member or partner? Look for new connections with a lot of filters: location, projects, roles, statuses, work experience, gender, interests, communities, and much more

An independent social network moderated by DAO and artificial intelligence

1. Bot hunter - our AI determines whether an account is a bot or a real user
2. Topic activity - Determining the user's attitude to this topic
3. Uniqueness - we distribute tokens to users and it is important for us that the generated content is unique and not stolen.
4. Content analysis - Users can vote on content format and report posts based on the DAO model. AI will learn and act as an assistant for all users

MARKET PROBLEMS

It is impossible to interact in a Web3 space using only one platform. You have no other choice but to constantly switch from 1 application to another, even within 1 project. Moreover, the functionality of the current platforms is not adapted to the Web3 environment.
